Evaluation, and Related Issues.

Rulemaking 13-11-005
(Filed November 14, 2013)

MARIN CLEAN ENERGY NOTICE OF EX PARTE COMMUNICATION

Pursuant to Rule 8.4 of the Commission’s Rules of Practice and Procedure, Marin Clean Energy (“MCE”) hereby gives notice of the following written *ex parte* communication. The communication was initiated by MCE and occurred in-person on March 23, 2016 at 4:30 PM at the California Public Utilities Commission (“CPUC”) offices in San Francisco, California and lasted approximately 5 minutes. The meeting was between Beckie Menten, MCE Director of Customer Programs, Mike Callahan-Dudley, MCE Regulatory Counsel, and Sean Simon, Advisor to Commissioner Randolph.

In the meeting, Ms. Menten touched upon MCE’s recently filed Petition for Modification that requested an increase to its annual budget to account for MCE's inclusion of new communities. The request indicated a formulaic approach to increasing Energy Efficiency (“EE”) funding due to expansion of Community Choice Aggregator (“CCA”) service territory. Ms. Menten also noted that MCE's service territory grew 30% in 2015 and will likely see similar growth in 2016.

Respectfully submitted,

/s/ Catalina Murphy
